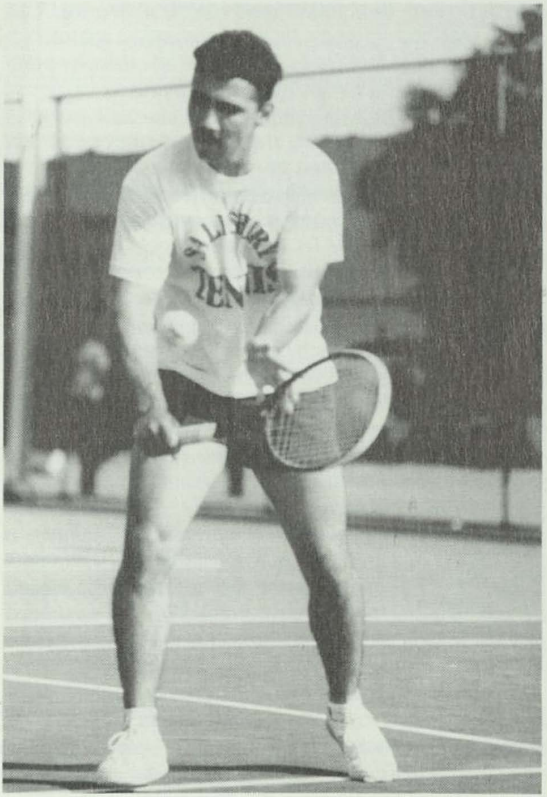
1991
SALISBURY STATE UNIVERSITY

MEN'S TENNIS



COACHES

DEAN BURROUGHS
Head Coach

Dean Burroughs is in his 18th year as the highly-successful head coach of the Salisbury State University men's tennis program. Under his direction, the Sea Gulls have averaged 15 wins per year, and Burroughs sports a 247-94 career record, a winning percentage of .724.

Always among the region's best teams, Salisbury State has visited the NCAA tournament six times and has had countless players honored as regional and national All-Americans.

Through Burroughs' hard work and dedication to the collegiate game, Salisbury State hosted the men's NCAA Division III championships twice during the '80s. SSU's outstanding tennis facilities feature 12 lighted outdoor courts and three indoor courts which allow for practice and match play without interruption due to inclement weather.

Burroughs' broad tennis interests and concern for the development of the game are demonstrated through his membership in the Mid-Atlantic Professional Tennis Association, where he serves as vice president of schools and colleges for the MATA. He is director of the respected MATA Film Library and also serves as sectional endorser/coach of the MATA Junior Davis Cup and Corish Cup teams.

In addition to his coaching duties, Burroughs is SSU's associate director of athletics and is an associate professor in the Department of Physical Education. He and his wife, Roseanne, reside in Salisbury and have four children.

CARL URIAN
Assistant Coach

Back once again to assist Burroughs and help in the individual development of the players is Carl Urian, who played for Burroughs from 1976-80. Featuring a sound background of teaching and competing, the former Sea Gull works primarily in practice with drill work and improving of fundamentals. Urian, 32, lives in Salisbury, and works full time at his own insurance agency.

Front row (L-R), Jason Quigley, Marc Turner, David Hardesty, Tom Wolfe, Brian Weist, Bernie Phidej. Back row (L-R), Assistant Ed "Griff" Griffith, Assistant Carl Urian, George Wines, Mike Kaminski, Ken Soliday, Captain Tre Moore and Head Coach Dean Burroughs.

1991 MEN'S TENNIS ROSTER

Name	Year	Major	Hometown

Tom Wolfe	Fr	Math	Frostburg, MD

SEASON OUTLOOK

Talented, experienced and deep. Those are the three words **Head Coach Dean Burroughs** uses to characterize his Salisbury State men's tennis team as it enters play in 1991. A closer look at his lineup indicates why those descriptors seem to paint an accurate picture of the 1991 Sea Gulls.

Burroughs' squad, the two-time defending Eastern States Athletic Conference champions who finished 10-4 overall last year, returns five of its top six singles players from a year ago. Sophomore **Ken Soliday,** last year's number one singles player, returns to the same role this year. Added experience and strength should make him a better player in his second collegiate season. Senior captain **Tre Moore** (9-5 last year) and sophomore **George Wines** (11-3) appear to have the number two and three spots claimed heading into the season.

Talented freshman **Tom Wolfe**, who also plays on the Sea Gull basketball team, is penciled in at the number four position to start the season. He faces competition from junior **Dave Hardesty** (9-3) as well as junior **Jimmy Ireton**, last year's top winner with a 12-2 record.

Other returnees who will challenge for playing time include **Eric Balliet, Keith Byrne, Mike Kaminski, Bernie Phidej, Shawn Thomas** and **Brian White**. Freshman **Marc Turner** could also contend for one of the singles spots.

"There's very good depth on this year's team," said Burroughs, beginning his 18th year at SSU. "All the players seeded seven through 12 could fill in at one of the top six spots, including our freshmen."

In addition to Wolfe and Turner, the freshman crop includes **Jason Quigley, Ashley Timmons** and **Brian Weist**. "This may be the most talented freshman group we've had in a number of years," said Burroughs. "They're all capable of cracking the lineup, if not right away, then in the very near future."

Wines and Moore, who have claimed the ESAC's number one doubles title each of the last two years, will team again as the top duo. Soliday could team with a number of candidates on the second doubles unit, while Hardesty and Kaminski could return as an effective doubles tandem once again. They finished 5-2 and claimed the conference's number two doubles crown last year.

SSU opens the season on March 15 at the eight-team Towson State University Tournament, which could provide Burroughs with a quick evaluation of his team's potential. "That tournament features a number of Division I and II teams in addition to Division III," explained Burroughs. "A good showing there could serve as a springboard for the entire season."

SSU TODAY

Decade of Excellence . . .

Applications up 250 percent. For 10 straight years the number of applications here have increased, countering national trends. In 1989 SSU was highest in application increases among Maryland's public universities. The average 1990 freshman at SSU has scored well over 1,000 on the SATs and earned better than a B average in high school.

$45 million investment in buildings and grounds. Splendid new architecture and a beautifully landscaped campus in the heart of Maryland's Eastern Shore have made us one of the Mid-Atlantic's most attractive universities.

The highest endowed four-year public comprehensive university in Maryland. SSU's $10 million plus endowment means more scholarships, student travel and research funds, and more visiting scholars and artists programs.
